)DEPOSITION

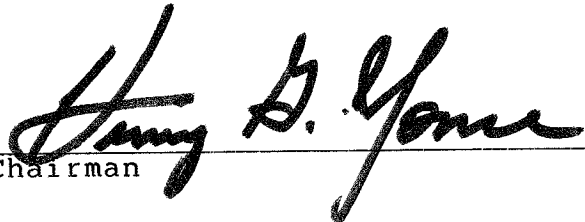

This matter is before the Public Service Commission of South Carolina (the Commission) on The South Carolina Public Communications Association's (SCPCA's) Motion to Take Deposition pursuant to 26 S.C. Regs. 103-852 (1976). In support of its motion, the SCPCA asserts that the deposition of a representative of Contel of South Carolina, Inc. (Contel) and GTE South, Inc. (GTE) is necessary in order to determine the actual cost for their Optional Operator Screening service. Neither Contel nor GTE have responded to the SCPCA's Motion to Take Deposition.

Upon review of the purpose and nature of the request, the Commission finds and concludes that the SCPCA's Motion to Take Deposition should be granted. It is therefore ordered that Contel and GTE designate an individual who has knowledge of the costs

related to Optional Operator Screening and Selective Class of Call
Screening to appear and be deposed by the SCPCA on September 10,
1993, at 10:00 a.m.

IT IS SO ORDERED.
